Little Stories For Bedtime

JIMMY SKUNK HAS HARD LUCK

BY THORNTON W. BURGESS

When Peter Rabbit decided to go to bed, he was very tired. He had been out for a long time, and he was very hungry. He had been out for a long time, and he was very hungry. He had been out for a long time, and he was very hungry.

How he did run!

The Old Orchard. How he did run! He stopped just back enough to turn to see what was behind him. He saw that he had been followed by a cat. He saw that he had been followed by a cat. He saw that he had been followed by a cat.

When night came Jimmy Skunk's luck was not better. He had been out for a long time, and he was very hungry. He had been out for a long time, and he was very hungry. He had been out for a long time, and he was very hungry.

At last Jimmy Skunk was tired. He had been out for a long time, and he was very hungry. He had been out for a long time, and he was very hungry. He had been out for a long time, and he was very hungry.

3000 BETTER TIRE DEALERS

BETTER SERVICE

BETTER TIRE VALUE

All Goodyear Tires are built of SUPER-TWIST Cords—give more stretch and life than old-style cords.

GOODYEAR TIRES SELECTED DEALER

They save money for their customers because they operate under the time-proven Goodyear Selected Dealer plan.

A black and white illustration of a Goodyear Selected Dealer store. The store has a sign above the entrance that reads "GOODYEAR TIRES SELECTED DEALER". The store is open, showing various tires and equipment inside. In the foreground, a large Goodyear tire is shown, with the tread pattern and the words "GOODYEAR SAFETY TREAD" visible. The tire is positioned diagonally, with the tread facing the viewer. The background shows some trees and a building. The overall scene is a classic advertisement for Goodyear tires, emphasizing the quality and service of the Selected Dealer plan.

FOR seven years Goodyear has operated a dealer selling plan which makes it possible to sell the World's Greatest Tire at standard prices. Out of about 12,000 dealers in Canada, Goodyear has selected 3,000 efficient ones, located to serve all motorists best. Fewer calls for Goodyear salesmen to make. Fewer salesmen needed. Big savings which go back into Goodyear quality.

The dealer saves also. He specializes on Goodyears. He can carry fewer tires

and yet carry more sizes. He gets faster turnover of his stock. He can work on a smaller profit and still make money. He can afford to give service.

Goodyear pioneers in selling policies just as Goodyear pioneers in tire features. The Goodyear Selected Dealer is a good man to know. He always has the newest advantages in selling methods, in service methods, in tire features. There is at least one in every town in Canada big enough to support a good tire dealer.
